SUPPLEMENTARY INFORMATION:

I. Abstract: The NASA Internship Management System is a comprehensive tool designed to allow student applicants to apply to NASA internship opportunities in a single location. NASA personnel manage the intern selection process and implementation of internship sessions in a single system. Information from the NASA Internship Management System Student-Level Data collection will be used in accordance with the criteria established by NASA for monitoring research and STEM Engagement projects. This information collection is also necessary to provide NASA STEM Engagement projects with information on participants necessary to determine participant eligibility, selection for activity participation, identify accommodations participants may have, and provide other information necessary for effective activity implementation.

II. Methods of Collection: Online/Web-based
